

## New Jersey State Specific Policies

### Information to Parent's Statement

Under provisions of the *Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52)*, every licensed childcare center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too. Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint

investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review or you can view them online at <https://childcareexplorer.njccis.com/portal/>. Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to provide reasonable accommodations for children and/or parents with disabilities and to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Internet access may be available at your local library. For more information call the CPSC at (800) 638-2772.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the *State Central*

## Policy on Expulsion

Lightbridge Academy welcomes all children into our centers that can be successful in a group care environment. Our intent is to provide positive experiences that foster learning and development for each child. In line with our Circle of Care and Core Values, we will work as a team with parents and/or guardians to help each child be successful in our care. A teamwork approach is the best way to correct repeated challenging behaviors and work towards success. Your patience, support, and follow through are integral to this process.

There may be times that the program offered at our center is not the best fit for a child or family, whether on a temporary, short term or a permanent basis. The following are reasons why a child or family may not be successful at our center and asked to seek alternative care:

### Immediate Cause for Expulsion

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children.

### Additional Cause for Expulsion

- The child's needs are not being met in our setting.
- The child is at risk of causing serious injury to other children or himself/herself.
- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff.

### Action Steps

When children start exhibiting repeated challenging behaviors, we will:

- Try to redirect the child from negative behavior.
- Reassess the classroom environment, appropriateness of activities and supervision.
- Always use positive methods and language while disciplining children.
- Praise appropriate behaviors.
- Consistently apply consequences for rules.
- Give the child verbal warnings.
- Give the child time to regain control.
- Document the child's disruptive behavior and maintain confidentiality.
- Give the parent/guardian written copies of the disruptive behaviors.
- Schedule a conference(s) including the director, classroom staff and parent/guardian to:
  - Communicate with you about how your child is doing.
  - Discuss how to promote positive behaviors at school and at home.

- Provide the parent literature of other resources regarding methods of improving behavior.
- Work with you to set goals to support your child’s social, emotional, and behavioral development.
- Determine the appropriate third-party assessment such as
  - An evaluation from a pediatrician.
  - An evaluation by professional consultation on premises.
  - An evaluation by local school district child study team.

If our combined action steps and teamwork are unable to help your child be successful within our program, we will schedule a final parent conference to discuss alternative care. We will provide you with an end date which will offer one to two weeks’ notice to find other arrangements, depending on the risk to the other children’s and staff safety and welfare. Any serious/dangerous incidents may result in an immediate end to care.

**A child/family will not be asked to find alternative care if a parent/guardian:**

- Made a complaint to the Office of Licensing regarding a center’s alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center.
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other childcare arrangements.
