### **Child Care Centers are a Gang Free Zone**

Please be advised that under the Texas Penal Code any area within 1,000 feet of a child care center is a gang free zone, where criminal offenses related to organized criminal activity are subject to a harsher penalty.

### **Hearing and Vision Screening Requirements**

The Texas Department of State Health Services requires Licensed Child Care Centers and Licensed Child Care Homes with enrolled children ages 4 years and older to have vision and hearing screenings reported annually. The reporting period for the screenings begins in January, and results are required to be submitted online at the Child Health Reporting System by June 30 of each year.

### **Policy on Food Safety**

#### *Parent Responsibility for Meeting Child's Nutrition Needs in Child Care*

At Lightbridge Academy, we recognize the vital role that proper nutrition plays in a child's growth, development, and overall well-being. To support a healthy and nurturing environment, we ask that parents/guardians who are providing their own snacks, adhere to healthy nutrition guidelines, including a balance of fruits, vegetables, whole grains, and protein sources.

### **Vaccination Requirements for Teachers**

Lightbridge Academy respects the individual autonomy of all child care providers and acknowledges that vaccinations are a personal choice. Therefore, we do not mandate child care providers to be vaccinated as a requirement for employment or continued employment within our facility. Child care providers who are unable to be vaccinated due to medical or religious reasons will not face discrimination. Those seeking an exemption will be asked to provide appropriate documentation, and reasonable accommodations will be discussed on a case-by-case basis.
